

Furniture Committee

01-17-2006

Minutes

Present: Janice Burwash, Christine Perkins, Jane Sneeringer and Boyka Thayer from Tattersall Design

Submitted by: Janice Burwash

Meeting Room Chairs: Selected the two shades of turquoise. Will get half of each color. Boyka had a diagram that showed that the room (opened up) will easily seat 150.

Meeting Room Tables: Tan laminate (same as in the staff work area) with black for any painted elements.

Public Space Reading Tables: Cherry wood for the edge trim, copper finish on the metal pedestal legs and tan laminate (same as in the staff work area).

Seating in the Public Space:

Reading chairs: All wood, cherry finish

Mission Style Chairs: To be used along the windows near the fireplace and also in the Large Print area. Cherry finish on the wood. Selected two fabrics, both dark, forest green, one solid and the other a tone-on-tone print. Will have half the chairs upholstered in each fabric.

Upholstered Easy Chair: To be used for seating around the fireplace. Selected a corduroy/chenille fabric in a rust color.

Upholstered chair with "Ski" arm: To be used in the seating alcoves along the south windows. Cherry finish on the wood. Will order with the wood rail along the seat back. Selected a multi-tone rust fabric.

Window Seat in Children's Area: Selected multi-jewel-toned fabric for the seat back. The seat will be a "leather" fabric on a persimmon color. These same fabrics will be used for the seating in the feature.

Lobby Bench: Mission style with cherry finish, selected same multi-colored fabric as chosen for children's window seat.

Next meeting with library staff, Tuesday, February 7 at 3:30. No date set for meeting with Furniture Committee.
