A Safety Newsletter For Kids

Produced by Your Local Fire Department & Northwest Fireflies

Ride Safe!

Begin with the number 1, connect a line to number 2 and follow the numbers until you have connected all the dots to create your scooter. Draw yourself having fun on the scooter. Don't forget the helmet for your head.

Always wear a **HELMET** when riding a scooter, bike, skateboard or skates.

Save Your Brain

Always Wear Your Helmets!

Color these helmets your favorite colors.
