

TEEN ANIME CLUB

With their exaggerated eyes and distinct facial features, anime characters are unique and fun to draw. Use the materials in this kit to experiment with this drawing technique for yourself!

SUPPLIES

- Graphite pencil
- Smudge-free eraser
- Illustration paper
- Resources (printed and via QR code below)

Whether you're new to drawing or it's one of your favorite hobbies, there is always something new to learn. This kit includes excerpts from the book *Manga for the Beginner* by Christopher Hart along with a few tools to get you started. Be sure to join your fellow anime fans (and maybe even share your art) at our next **Teen Anime Club** meeting on **Wed. Nov. 17** on Zoom!

BPL has tons of resources for drawing anime characters – check out the list of books (and eBooks) here!

Check out this tutorial from Skillshare for some basic drawing tips!
