

Burlington Public Library Board of Trustees Meeting

April 6, 2021

Meeting minutes

In attendance via Zoom: Sarah Ward, Cindy Lint, Maria Magana, Janice Burwash

LACKING A QUORUM, NO VOTES WERE TAKEN

Communications:

- Jennifer began hosting twice-monthly bilingual storytimes with families through **YouthNet**. The first virtual program was attended by approximately 24 with stories about airplanes.
- Jenny has been participating in virtual national training through Healthy Community Association.
- 5 new BESD library cards issued.
- Financial Report: on track, with spending being cautious.

New Business:

- DVD security cases have become an issue. There is a lot of work to keep them clean and in working order, so there is a discussion about trying not using them. Other libraries have not suffered significantly more shrinkage without them.
- Juan has been working with an organization that, while not located in Burlington, serves Burlington citizens. There is discussion around issuing this organization an “agency card”. This has sparked a wider discussion around partnerships with the library. Stay tuned...
- Reopening: Maybe June??? Also, the idea to have an external computer lab is giving way to simply distancing the computers within the library. There were concerns with having a staff member monitoring the external computer lab in the meeting room.
