Members of the Burlington Police Department are hereby authorized, to enter my property and request person(s) found upon the property who do not reside there and/or having no legitimate or lawful purpose, to leave the property. The term "property" includes those common areas generally open to the public and including hallways, stairwells, entrances, lawn, garden, driveways and parking lot areas. This authorization does not permit entry to private spaces not generally open to the public, without further authorization or request.

The purpose of this request and authorization is to discourage illegal or unwanted activity includes but is not limited to trespassing, vandalism, theft, illegal drug use/trafficking, littering, sleeping, sheltering/camping. In the event an individual(s) refuses to leave my property at the request of a Burlington Police Department Officer, I agree to cooperate and support the prosecution for violations of trespass or any other crime discovered during the contact.

I understand the Burlington Police Department has limited resources and may not be able to patrol my property on a regular basis. This grant of authority does not create a duty on behalf of the City of Burlington for police services and does not relieve me of the responsibility to monitor my property. I hereby waive any and all legal claims against the City of Burlington or its Officers that may arise as a result of the actions that are taken consistent with this grant of authority. I understand that I may cancel this grant of authority at any time by submitting a request in writing by mail or in person at the Burlington Police Department.
